Description

This product is used for creating highlight or accent effect of Flex C Ment liquid colors on Wall applications. This product is a cement based mix containing proprietary additives. Mix this product with mixed Modifier **300™** (F-M300) into a paste form according to instructions given at the user manual before use.

Precautions

IMPORTANT! READ BEFORE USING.

This product contains Portland cement. Contact with cement, freshly mixed concrete, or mortar can cause severe burns. Avoid direct contact with skin. Wash skin exposed to freshly mixed concrete or mortar directly or through soaked clothing promptly. If this product burns your skin, see a physician immediately. If this product should contact eyes, immediately flush with water and consult a physician. This product may contain silica. Silica dust if inhaled may cause respiratory or other health problems. Prolonged inhalation may cause delayed lung injury, including silicosis and possibly cancer. Dust mask, eye protection and rubber boots and gloves are recommended when using this product. KEEP OUT OF THE REACH OF CHILDREN.
